*This annual fundraiser is the main source of funding for Ballard Nature Center's general operations. The success of this banquet is vital for the center to continue offering its current services and programs. In 2017 we provided toddler programs, homeschool programs, over 25 family/adult programs, kids' summer camps, and were visited by 1,650 school children on field trips. Your support allows us to provide educational programming to the community, and allows us to maintain the visitor center and the hiking trails.  
BNC is a private, non-profit 501(C)3 organization.*

Thank you for your support!
