

## Ballard Nature Center Summer Family Programs

May 29 10am	<b>Weather Wonders</b>	April showers bring May flowers! We'll talk about the weather & how it affects nature. Enjoy a fun activity and hike as well.
June 10 9am-2pm	<b>Trail Activity</b>	A self-lead interactive activity along a designated trail. More info to come later.
June 13 10am	<b>Colorful Birds</b>	A story, <i>How the Birds Got Their Colors</i> , with related activities, craft, & hike.
June 20 6:30pm	<b>Campfire Night</b>	Gather 'round the fire for songs, activities, and more as we learn about creatures that fly in the night. A hike is part of the fun.
July 14 10am	<b>Fabulous Flowers</b>	Come learn about flowers & why they matter! We'll read <i>The Tiny Seed</i> and have activities, along with taking a walk.
July 22 10am	<b>Awesome Possums</b>	Love 'em or not, opossums are really unique creatures! A hilarious book, games, & trail activity are part of this program.

**Program Registration:** Registration for each of these programs does not begin until 2 weeks prior to the program date. Once you have registered, if you find that you cannot attend, please let us know since program size is limited.

To register: [ballardnc@frontiernet.net](mailto:ballardnc@frontiernet.net), 618-483-6856, or message us on Facebook.

The programs above are offered free of charge, but we'll have a free-will donation bucket out for any donations.
